ART: Seashore sand collage

11:45 Circle: Read poems in *Until I Saw the Sea*

or "At the Seaside" and other poems in *A Child's Garden of Verses*.

Story Time- *Is This a House for Hermit Crab?* or *A House For Hermit Crab* or *The Sunbeam and the Wave*

3:00 Circle: Read *When the Tide is Low* or *On My Beach There Are Many Pebbles* or one of the other seashore books.

Lesson- **SEASHELL RUBBING, SEASHELL TRACING, SEASHELL COLORED PENCIL**

WORK

Seashell tracing and coloring- Tray with seashells of various sizes and types, white paper, colored pencils. Lesson- Place a shell flat side down on the paper. Trace around the shell. Place the shell next to the paper. Choose colored pencils the same colors as on the shell. Color in the shell shape.

Montessori work-

Shell Addition- Box of shells, cards with addition problems, felt square. Lesson- Lay out a card on the felt. Count shells and put under the first number. Count shells and put under the second number. Push them together and count them to find the sum.

Shell Subtraction- Box of shells, cards with subtraction problems, felt square. Lesson- Lay out a card. Count shells and put under the first number. Look at the second number and take that many away. Count the remaining shells to find the answer.

Shell Rubbing- Make work per previous instructions using pages from one of the books below.

Tracing- Make work using pages from one of the books below.

Colored pencil- Make work using pages from one of the books below.

*Shells of the World Coloring Book*, Lucia de Leiris, Dover Publications

*Shell Stained Glass Coloring Book*, John Green, Dover Publications

*Ruth Heller's Designs for Coloring: Seashells*, Ruth Heller, Grosset & Dunlap

ART: Seashore sand collage- See Art Instructions at the end of this week.
